Conference Facilities

Whether you need a venue for a large, formal AGM or a fun presentation session for 20 delegates we have something to offer at Homerton to suit your requirements and style.

- All of our rooms are fully equipped with modern AV and IT facilities and technical support is on hand if needed.
- All rooms are flat-floored including our Auditorium meaning that spaces are flexible for most configurations.
- All rooms have natural daylight, comfortable seating and free Wi-Fi access, providing an environment conducive to learning, thinking and achieving

Our varied range of modern and traditional conference and seminar rooms, allow you to choose comfortably from a full range of set up styles inclusive of U-shape, Boardroom, Cabaret, theatre & classroom. Specific dimensions for each room and options are shown on the relevant individual conference pages indicating the number of delegates that can be accommodated, dependant on layout selected.

Team Building Days

Homerton has established partnerships with Gable Events and Right Angle Events Ltd. As a venue Homerton can provide you with unique, challenging and entertaining events to suit your specific requirements. Understanding your specific needs, working together we will create an event that is both memorable and fun and at the same time promotes leadership and communication.

Taking employees out of the office helps teams break down personal barriers and remove distractions. Team building events provide realistic experiences that encourage individuals to contribute to collective goals, aiming to improve productivity and motivation. They are important for the communication and bonding that result; as many organisations require the ability of individuals to build effective teams.
