

120+ Years of Transforming UK Workspaces

Upgrade your commercial environment with **Wagstaff Interiors Group**, the UK's premier independent commercial interior specialist since 1903. From fast-delivery workplace staples via the Wagstaff Online Shop to complex, multi-floor office fit-outs, we provide completely unbiased procurement and turnkey design services tailored to your exact demands.

The Wagstaff Advantage

- **True Product Independence:** We are not tied to a single manufacturer. We negotiate with hundreds of top European brands to build your perfect workspace.
- **End-to-End Turnkey Service:** Our in-house teams handle space planning, interior design, logistical management, and professional installation.
- **Proven Sustainability:** We have successfully diverted over 400 tonnes of office furniture from landfills through our environmental reuse initiatives.
- **Unmatched Peace of Mind:** Backed by financial stability and 120+ years of operation, we uniquely underwrite all our suppliers' product warranties

Our Core Services

- **Design & Build:** Comprehensive interior fit-outs and space visualisations.
- **Furniture Procurement:** Sourcing ergonomic seating, collaborative furniture, and acoustic pods.
- **Logistics & Move Management:** Seamless corporate relocations, furniture hire, and recycling programs.
